dw about it
ive been thinking about suicide

This is her being aware Of my age
-she was anxious yet she continued the next day saying
“it's okay as long as there are no images involved”
Can not prove that she said that because it was on the phone

Aware of my age:

nekozuna 12/17/2022 1:22 AM

i want to stop everything sexual because it is NOT something i should be doing with you and i know you said it was okay but that doesn't matter, im an adult and i should be taking responsibility, im not mad at you at all btw, im mad at myself, i just threw up because of how sick it made me feel for what we've done and i hate myself so much for it to the point where ive actually thought about killing myself you can still be mama taffy to me of course !! but i dont wanna do any more sexual stuff i really hope you understand

nekozuna 12/17/2022 1:24 AM

I want to stop because I'm 19 and you're **13** THIS IS NOT OKAY

i dont want you to think i am
